

Solutions for Minnesota

If Elected I Will Fight For:

Investing in preschool, Smaller Class Sizes, and affordable post secondary education

Mandating all state vehicles use e85 fuel or Hybrid Technology and creating a tax credit for people who live close to their employment or use public transportation

Eliminating Waste in our health care system, lowering premiums and provide All Minnesotans with Basic Health Care

Expanding Transit options in the metro and Southwest Suburbs and Improving Roads where needed

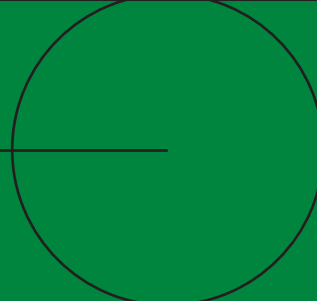

Giving the middle class relief from taxes and fees with REAL Property Tax Relief & creating High Paying Jobs in Minnesota
